

# TruStitch VETERINARY SUTURE

by **corzamedical**

World's largest independent suture manufacturer

**TruStitch suture...  
uncompromising quality,  
unmatched value.**

## WHY TRUSTITCH?

**Guaranteed 20-40% savings over industry leader.**

**Premium, consistent, German-engineered needles.**

**Broad choice of high-quality suture materials.**

**Racetrack packaging to reduce memory.**

**Free sampling program for evaluation.**

**Easy conversion process with a suture specialist.**

**100% money-back quality guarantee.**

Experience TruStitch quality with our free sampling program for evaluation.

**Simplified suture ordering** with custom cross-reference order sheet.

**Industry standard needle names, color coding and item numbers** make using and ordering sutures simple.

**Order the way you want** — online, fax, phone or directly through your suture specialist or through VetCove.

**Easy suture selection using standardized pricing** across materials regardless of needle type, size, length or color.

## SELECT FROM OUR TOP 15 SKUs:
